

## Professional Indemnity Insurance

PI insurance is essential for any sole trader or freelancer and can be expensive. You will also need Public Liability Insurance and, if you have staff, Employer Liability Insurance.

IHE does not have a scheme for its members, but can suggest the following brokers who have experience of the construction industry.

- **Kingsbridge** offer £1M PI, £5M Public liability and Personal Accident cover for £424pa. You can buy instantly on-line or over the phone (0845 643 0061) with minimum paperwork. Documents are delivered by email. [www.IHIE.KPSol.co.uk](http://www.IHIE.KPSol.co.uk)
- **McParland Finn** (0161 236 2532) who do the Architectural Technologist (CIAT) PI scheme. [www.m-f-l.co.uk](http://www.m-f-l.co.uk)
- [www.anchormaninsurance.co.uk](http://www.anchormaninsurance.co.uk) who cover ASI (01837 55777)
- **R E Brown**, (0113 245 0924) Leeds
- Since launching The Engineering Scheme in 1994 **Howden** have provided over 3,000 Engineering firms with liability protection. The scheme offers flexible insurance solutions incorporating Professional Indemnity, Public Liability and Employer's Liability insurances to a broad range of Engineering businesses from sole practitioners upwards. Recently awarded Insurance Broker of the Year at the British Insurance Awards Howden are Lloyds Brokers whom specialise in the Surveying and Engineering sectors. For further information please contact Taurai Ushe on 020 7645 9312 or by email: [tushe@howdengroup.com](mailto:tushe@howdengroup.com) or visit [www.howdengroup/engineers](http://www.howdengroup/engineers)
