'Getting it Right': using best practice on UK Roads Conference and Exhibition

Thursday 20 June 2019
Radisson Blu, Glasgow Central

The IHE are bringing together many of the important trade associations and institutions to a one day seminar to look at how roads maintenance can be delivered in the challenging times ahead. The theme of Getting It Right will look at how service delivery can use best practice to maximize the skills, innovations and expertise within the industry to produce a road network fit for purpose. Hear from the Scottish government , HTMA, RSTA, ILP and RSMA as well as IHE in this unique assembly.

Who should attend:

Everyone involved in the service delivery of the UK's Road Network.

The conference will be followed by the IHE Annual Dinner. Book now to save your place.
